MEMORANDUM FOR ACTING UNDER SECRETARY OF DEFENSE (ACQUISITION, TECHNOLOGY AND LOGISTICS)

SUBJECT: Joint Logistics Board (JLB) Priorities

At the January 15, 2004, JLB meeting, ongoing actions were reviewed and prioritized. While the details are still being refined, the JLB will focus its attention on the following areas over the next 12-18 months:

- Supporting current operations.
- Ensuring success of the Distribution Process Owner, to include facilitating synchronization with the Deployment Process Owner.
- Implementing the Balanced Scorecard and performance metrics.
- Ensuring Logistics Enterprise Integration efforts (including enabling IT) are coordinated and interoperable.
- Accelerating Performance-Based Logistics (PBL).
- Rationalizing a corporate DoD Logistics vision into a coherent transformation roadmap.
- Developing a way ahead for achieving maintenance excellence.
- Streamlining material flows.
- Exploring and implementing Customer Pay opportunities.

Attached is a copy of the briefing used as a springboard to the JLB discussions. The JLB welcomes your thoughts on these priorities.

Vice Admiral Gordon S. Holder
Director for Logistics 2/9/04
